

## Camp Update

The PKU Association of NSW's committee have been busy looking at 2 fantastic venue options for the Camp in 2010. But we need your help!

By registering your interest and providing feedback by 31 October 2009 - you will be helping us select the best venue, ensuring a fun, safe and rewarding experience for campers and supervisors.

We look forward to hearing from you soon!

*Andrew McDonald*

President of the PKU Association of NSW Inc.

# National PKU Youth Camp 2010

# National PKU Youth Camp

## An experience of a lifetime

Enjoy activities such as archery, abseiling, rock climbing and canoeing while getting to know other kids from around Australia who have PKU.

**Who can come?** You must be aged between 8 and 17 and have PKU to be eligible to attend the camp.

## Important dates to remember:

### **Register your interest by 31 October, 2009**

to be the first to receive your Camper Information Pack in November (registering by this date will allow us to confirm the venue)

### **Book your place with a \$100 deposit**

**no later than 1 May, 2010.** Once we have deposits we can confirm the cost of the camp.

### **Final payment by 1 August, 2010.**

Late registrations will be accepted at the discretion of the Association but all efforts will be made to help you get to Camp.

The camp will be held from **Monday 27th September until Friday 1st October, 2010** during the school holidays.

## How much does it cost?

This depends on numbers. In 2008 the PKU Association of NSW subsidised the cost so that campers only had to pay \$200. An estimation of the 2010 cost will be given in the November pack.

**How you can help** Firstly, by registering before 31st October, 2009, you have made our job of planning a lot easier. Secondly - we need help fundraising. There will be a Scratch & Help Card in the info pack. We would like you to get behind this fundraiser and make it a success! The more you raise the more affordable camp becomes!

**Early bird offer** The first 20 people to register receive a free Piggy bank to help 'Save your way to Camp.'

**Coming from interstate?** We can help arrange your travel itinerary to make transfers to camp nice and simple.

**Tell the Chef what's hot and what's not** Here is your chance to suggest food ideas for camp, what are your favourites?
